

Timber and Shelter

Please Note:

Because of changes in production and marketing throughout the nursery industry and to help our customers gauge true value for money, we have included some equivalent volume sizes to most of the common PB bags that are used. This should save the confusion that exists and point out the advantages and disadvantages when comparing grades and prices.

PB 3/4 or 10cm = 1/2 Ltr (half Litre)	PB 8 = 4.5 Ltr	PB 40 = 25 L
PB 2 or 13cm = 1.2 Ltr	PB 12 = 8 Ltr	PB 60 = 35 L
PB 3 or 15cm = 1.8 Ltr	PB 18 = 10 Ltr	PB 95 = 45 L
PB 5 or 17cm = 2.8 Ltr	PB 28 = 17 Ltr
